

Memorial Gifts to the Novi Library

A memorial donation to the Novi Public Library ensures that your gift will not only be highly appreciated, but well-used. Many donors designate a specific library collection and/or a subject area that reflects the interests of the memorialized individual. Collection development librarians then select appropriate titles in that subject area. Recent memorial books have included travel guides, craft books, and mysteries. Memorial donations also may be used to purchase items other than books, such as videos, CDs, or audio-visual equipment.

Memorial acknowledgments are sent to the donor and to the family of the person in whose memory the donation was made. Each memorial book receives a bookplate listing the memorialized individual and the donor. In the case of non-book items, placement of donation information is tailored to the size and format of the item.

All contributions are tax deductible.
