

From Windows Media Player or iTunes
the MP3 is transferred to a portable Device

Another great reason to have your library card...

Expand your music collection for free — and it's legal!

Beginning July 1, 2011, Novi Public Library will offer free MP3 music downloads through www.novilibrary.org

powered by Freegal Music.

Each Novi Public Library cardholder is eligible for three MP3 downloads per week.

2/3 means that you have a weekly limit of three downloads, and you have used two of your downloads

If you have trouble with the download, Freegal Music allows you to download previously downloaded songs again, without using up one of your weekly downloads. To do this, click on the 'Recent Downloads' link, then click the 'Download Now' to save the song again. You have two (2) attempts for each song.

Welcome to the Freegal Music log in page

How Freegal Music Works:

- Library users have a weekly download limit. You will be able to keep track of your downloads in the upper right corner of the site. Every song has a sample clip you can listen to before you download.
- The library may have an overall weekly limit, too. If your library runs out of downloads for the week, you can go to "My Wishlist" in the upper right corner and queue up for future music.
- The downloads on this site are all in the MP3 format with no DRM. This service will work with any MP3 player, including iPod, and can be loaded into iTunes. It works on both PCs and Macs.
- Be sure to check out the browsing areas, especially Artists A to Z (bottom of page) and the genre lists (menu bar). Click on see all genres to view dozens of categories.

Enjoy the site!

Freegal Music gives you access to hundreds of thousands of songs in the Sony Music catalog. You can read more about Sony Music at www.SonyMusic.com

Navigating Freegal Music

Advanced Search

Most popular
downloads
are listed
here

Alphabetical Search

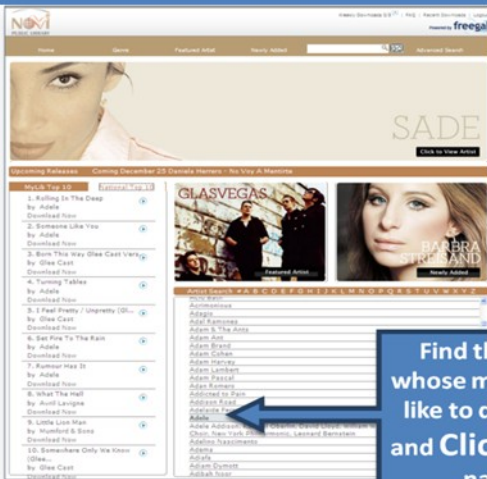

Before downloading,
you may preview a
song by listening to a
30-second clip.

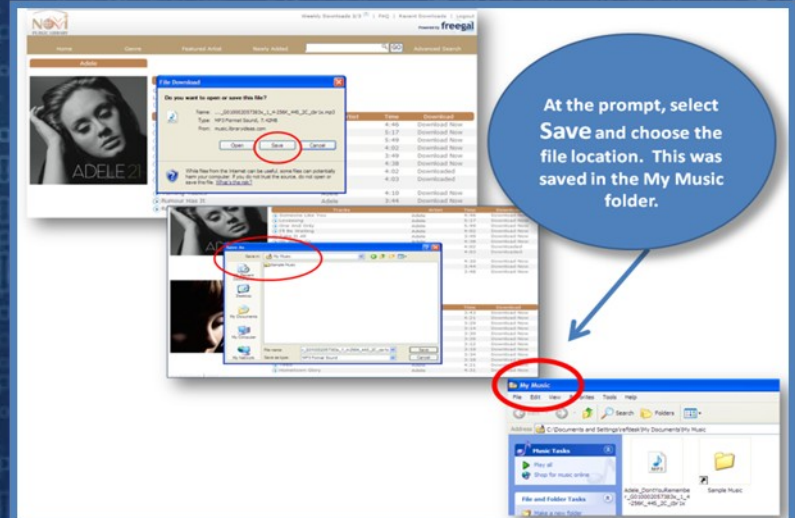

Once a song has been
chosen, click on the
"Download Now" link.

Freegal works with
Macs and PCs.

Please Note:
Anytime you click the
"Download Now" link, even if
you decide to cancel it, the
download will count towards
your weekly allotment.

Find the artist
whose music you'd
like to download
and Click on their
name.

At the prompt, select
Save and choose the
file location. This was
saved in the My Music
folder.
