

# Tree Order Form

## A Gift That Keeps Giving...

Here is your chance to have your name, or the name of a friend, family member, or local organization placed into the landscaping of the Novi Public Library.

Whether you are honoring a family member, celebrating a special occasion, or remembering a loved one, the dedication of a living tree for the Library, with a personalized marker, will make for a long lasting gift. Trees will be located along various landscaped areas of the Library (placement of trees will be determined by the architect).

Complete the order form on the reverse side. Payments can be made by credit card or by check made payable to the Novi Public Library.

### A Gift for Today!

Trees are personalized with wrought iron stakes with ceramic tile inserts with your choice of an Oak Leaf or Pinecone design
