Reading 1,000 books allows for your child to earn their name in a Novi Library book and attend a special party!

Before Kindergarten

In Partnership With:

Friends of the Novi Public Library
Rotary Club of Novi, Michigan

Your support of reading, education and growth to the community is priceless.

Raising A Reader in Novi

For more information visit the Novi Library online or by phone 248-349-0720, novilibrary.org
The Novi Public Library and the Novi Community School District would like to invite you to participate in this free program which encourages you to read 1,000 books with your child before they begin kindergarten.

Let the Reading Begin!

- Read a book to your newborn, infant, and/or toddler and track your reading.
- The goal is to have read 1,000 books before your child starts kindergarten and you can repeat books as many times as you like.
- Reading just 1 book a night will equal out to 365 books in two years. This is 730 books in two years and 1,075 books in three years. If you consider that most children start kindergarten around 5 years of age, you will have plenty of time to read 1,000!

Happy Reading!

Did You Know?

- Children who are read to regularly are more successful in school and are more likely to develop a lifelong love of learning.
- Reading aloud to infants and children encourages social, emotional, and cognitive development.

Don’t forget to sign up for a Library card!

Almost There!

- Congratulations! You have read 100 books! Return this brochure to the Novi Library for a prize and a new reading log!

“...You can find magic wherever you look. Sit back and relax. All you need is a book.”

-Dr. Seuss
