

As part of our celebration of **National Library Week** and the theme of **“Libraries = Strong Communities”** this year, we are partnering with Gleaners Community Food Bank and other TLN libraries to collect non-perishable food items to help feed hungry children, seniors, and families in our community.

We will forgive \$1 in fines for each item donated, up to 10 items per day.

Who: Anyone with outstanding overdue fines. Currently fine-free? The Food for Thought segment of this program is for you!

Where: Novi Public Library

When: **Sunday, April 7, 2019 – Saturday, April 13, 2019**

What: Non-perishable food items that meet the following criteria:

- Unopened
- Original Label still intact
- Expiration date of October 1, 2019 or later

**Thank you for joining us in the fight
against hunger in
Southeast Michigan!**
